

**IMPORTANT:** Please review this following information carefully before completing the Grade Appeal Form.

### **GROUNDINGS FOR APPEAL**

You may appeal a grade if you feel that:

- A clerical error has resulted in a miscalculation of the grade
- The grade awarded does not fairly reflect your academic performance and/or stated requirements for the course

You may NOT appeal a grade if you feel that:

- The nature and standard of evaluation was too onerous (i.e. instructor is marking too hard)

### **PROCEEDING WITH THE APPEAL**

Appeals of grades on assignments, tests, placements, examinations, or a final course grade must be made within **ten (10) business days** of the release of the grade. A business day is Monday to Friday, with the exception of statutory holidays and official College holidays.

### **APPEAL PROCESS**

The first step of the appeal process is to speak with the instructor. A Grade Appeal Form is not required at this stage. If an agreement is reached to change the grade, ensure follow-up is made via email or note with the instructor confirming the grade change.

If the instructor feels that a grade change is *not* justified, the student will have **ten (10) business days** upon the grade's release to seek a meeting with the Manager of Education. In advance of this meeting, the student must submit both a Grade Appeal Form, an appeal letter stating the reasons for the appeal and any other documents that specifically relate to the appeal such as tests, exams, assignments, reports and papers. The appeal letter must also specify the outcome that is being requested of the appeal.

Outcomes may include:

- Resubmission of project or assignment
- Rewriting of test or examination
- Remarking of assignment, test or examination
- Repeating the course
- Removing a grade from your transcript
- Changing your grade

Your appeal letter must be signed and dated. The documents used in the appeal will be shared with the evaluating instructor and the student.

**IMPORTANT** – The Grade Appeal Form is to be used only if you have been unsuccessful in informally resolving your grade appeal with your instructor. The Grade Appeal Form, along with the written reasons stating why you are appealing your grade must be submitted **in advance** of the meeting with the Manager of Education within ten (10) business days of the grade’s release.
